Unaffiliated Members of the Executive Committee must provide the Executive Committee with a list of any business or commercial relationships with the NYISO or any market participant, and any relationship with any other entity that may present a potential conflict or interfere with the duties owed the NYSRC. The definition of “affiliated” is set forth in Section D of the NYSRC Code of Conduct, which is attached to this notice. Each member of the NYSRC Executive Committee must certify annually that he or she has read and agrees to comply with the Code of Conduct. Please read the Code of Conduct before responding to this notice.

#### Background:

The New York State Reliability Council, L.L.C. ("NYSRC") is a not-for-profit entity, organized as a Delaware limited liability company, whose mission is to promote and preserve the reliability of electric service on the New York State Power System by developing, maintaining, and, from time-to-time, updating the Reliability Rules which shall be complied with by the New York Independent System Operator ("NYISO") and all entities engaging in electric transmission, ancillary services, energy and power transactions on the New York State Power System. The NYSRC must carry out its mission with no intent to advantage or disadvantage any Market Participant's commercial interests.

The NYSRC's mission also includes monitoring compliance with the Reliability Rules by working in consultation with the NYISO to assure compliance. The NYSRC establishes the annual statewide Installed Capacity Requirement (“ICR”).

The NYSRC is governed by the NYSRC Executive Committee comprised of thirteen (13) members consisting of representatives of the six (6) Transmission Owners ; one (1) representative of the Wholesale Sellers of Electricity, as determined by the Independent Power Producers of New York, Inc.; one (1) representative of the Large Industrial or Commercial Consumers, as determined by Multiple Intervenors; one (1) representative of the Municipal Electric Systems and Cooperatively Owned Electric Systems, as determined by the New York Municipal Power Agency; and four (4) Unaffiliated Members that are not affiliated with the NYISO or any Market Participant.

Response to Notice:

Interested individuals should submit a response to this notice including a resume and a cover letter explaining their qualifications by no later than December 1, 2023.
