

Announcing the Appointment of Rick Gonzales as an Unaffiliated Member of the NYSRC Executive Committee

The New York State Reliability Council (NYSRC) is pleased to announce the appointment of Rick Gonzales as an Unaffiliated Member of the NYSRC Executive Committee. Rick brings a wealth of electricity market, power control center operations and system planning experience to the NYSRC which he developed over several decades at the Connecticut Valley Electric Exchange, the New York Power Pool, and the New York Independent System Operator (NYISO). In his most recent role, he served as Senior Vice President and Chief Operating officer of the NYISO. He earned a B.S. and M.S. in Electrical Engineering from Clarkson University and is a graduate of Harvard Business School's Executive Management Program. Mr. Gonzales also served as a board member for the Northeast Power Coordinating Council.
