

**The New York State Reliability Council (NYSRC) is seeking to engage an attorney as its Counsel.**

The NYSRC is responsible for establishing the state-wide Installed Reserve Margin (IRM) for the New York ISO' capacity market in New York State and for the establishment of rules for the reliable operation of the New York State bulk power system. More detailed information about the NYSRC and its activities can be found at <http://www.nysrc.org>.

The NYSRC Counsel is responsible for making annual filings at the Federal Energy Regulatory Commission (FERC) and the New York State Public Service Commission. In addition, the Counsel attends all monthly NYSRC Executive Committee meetings, and supports the NYSRC on other related legal matters, as necessary. The hours of service required each month range from approximately 6 to 25 hours.

Interested attorneys should send a letter expressing their interest and qualifications to Chris Wentlent, Chair of the NYSRC at [cwentlent@gmail.com](mailto:cwentlent@gmail.com) or contact him directly at (607) 343-0500. Letters expressing interest must be received by the close of business, Friday, February 16, 2024.
