	The NYSRC has received from a <i>Transmission Owner</i> via the Annual Exception Review. R1.3. Following its review pursuant to R1.2, the NYISO shall notify the NYSRC if it recommends that the NYSRC approve the granting of the <u>New Exception, Exception Change or whether or whether an Exception that includes an expiration date should receive a one-time extension up to 18 months from the date initially approved by the NYSRC^{new exception, or whether the current exception should be removed or modified as proposed}. The NYISO shall document the reasons for its recommendation, including a finding that there would be no adverse impact to <i>reliability</i> upon issuance of the <u>New Exception, Exception Change, or one-time extension of the expiration date^{new exception or removal or modification of the current exception}. If the NYISO recommends that the <u>Exception request-Request</u> should be rejected by the NYSRC, the NYISO shall document its reasons for such a recommendation.</u></u>
8. Section C – Compliance Elements	
1. Measures	M1. The NYISO initiated required actions for implementing the NYSRC process of granting <u>New Exceptions, Exception Changes, or the one-time extension of the expiration date of an expiring Exception^{new exceptions or modifying or removing current exceptions ("exception changes")}</u>, in accordance with R1, as follows: - Requested each <i>Transmission Owner</i>, at least annually, to review its exceptions and determine whether it wishes to request the NYSRC to grant exception changes, per R1.1. - In accordance with NYSRC requests, the NYISO reviewed <i>Transmission Owner</i> proposals for <u>New Exception, Exception changes, and/or one-time extension of an expiring Extension</u>, and notified the NYSRC of the results of its reviews and recommendations on a timely basis, per R1.2 and R1.3.
2. Levels of Non-Compliance	2.1 For M1: Level 1: During a calendar year, the NYISO did not request <i>Transmission Owners</i> to review their exceptions-Exceptions to determine whether they wish to request exception-New Exception, Exception eChanges, or a one-time extension of an expiring Exception. Level 2: Not applicable Level 3: Following a request by the NYSRC, the NYISO did not review and/or provide a recommendation on a proposed exception change and provide the NYSRC with the results of its review on a timely basis. Level 4: Not applicable
3. Compliance Monitoring Process (See Policy 4):	
3.1 Compliance Monitoring Responsibility	M1: RCMS
3.2 Reporting Frequency	M1: In accordance with NYSRC Compliance Monitoring Program schedules.
3.3 Compliance Reporting Requirements	M1: Self-Certification
