

LLWG Report

- LLWG continues to monitor the ongoing initiatives in the industry (FERC, NERC, NYISO, PSC, NYS Government, IEEE) for potential recommendation of NYSRC RRS / EC involvement.
- Meeting minutes for 2026 and Scope of Work are now posted and current.
- Next meeting on 9/16 (invite sent) will request members input for going forward outside of monitoring the industry (within the bounds of the Scope of Work).
